Rutgers
Mechanical and Aerospace Engineering
2021 Design and Manufacturing Expo

A Quick Tutorial

Platform: Gather Town

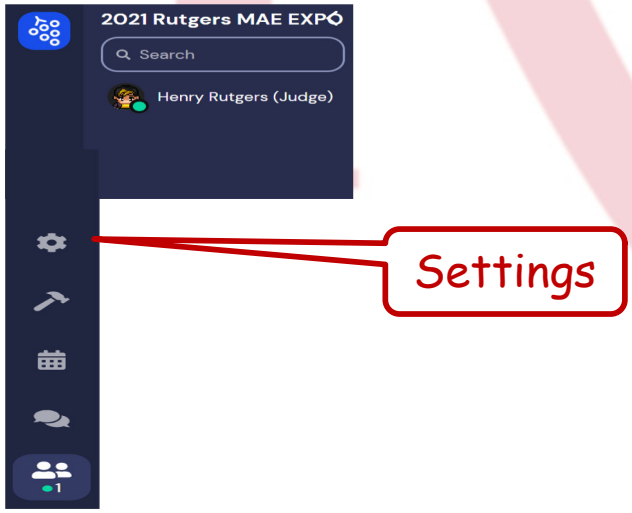
- Please use laptop or desktop to login Gather Town using the link and password below
  - Phone/tablet may not work properly

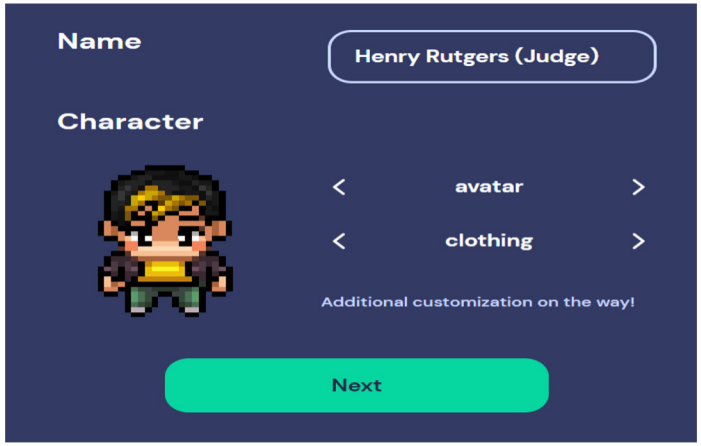
https://gather.town/app/naEJXVU0sxqn1BVP/2021%20Rutgers%20MAE%20EXPO

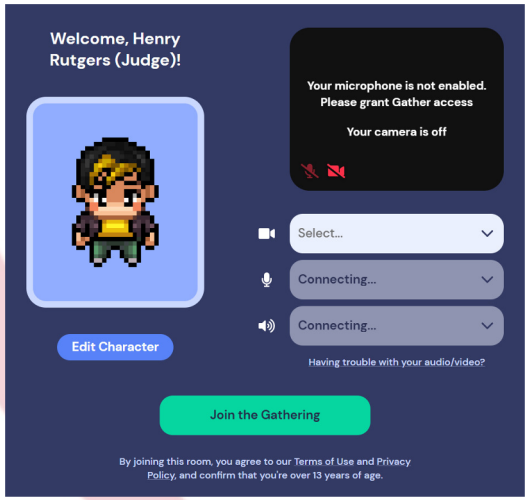
Create User

- Please enter your **Full Name + (Judge)**.
- You can choose any avatar and clothing you prefer
- Set up the camera, microphone and speaker (may need to unblock them from your browser)

- You can also change your name later in settings.







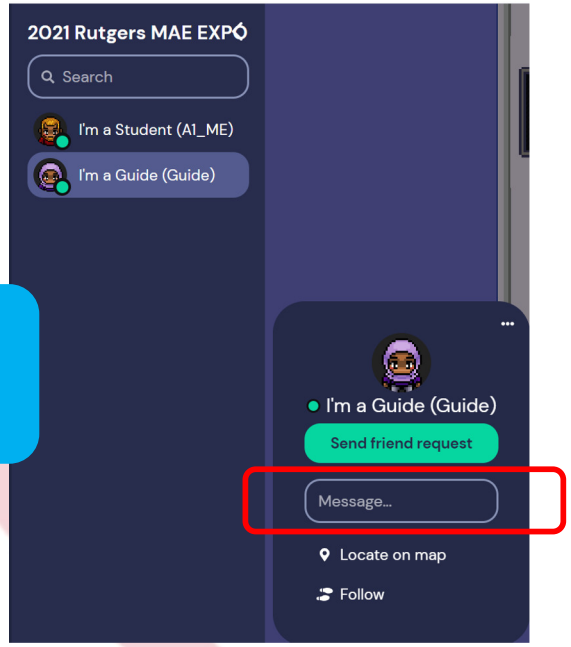
Basic Operations

- You can navigate the space and enter different rooms by using **arrow keys**.
- You can talk to people close to you, or send a message to anyone in the space by using the **message box**

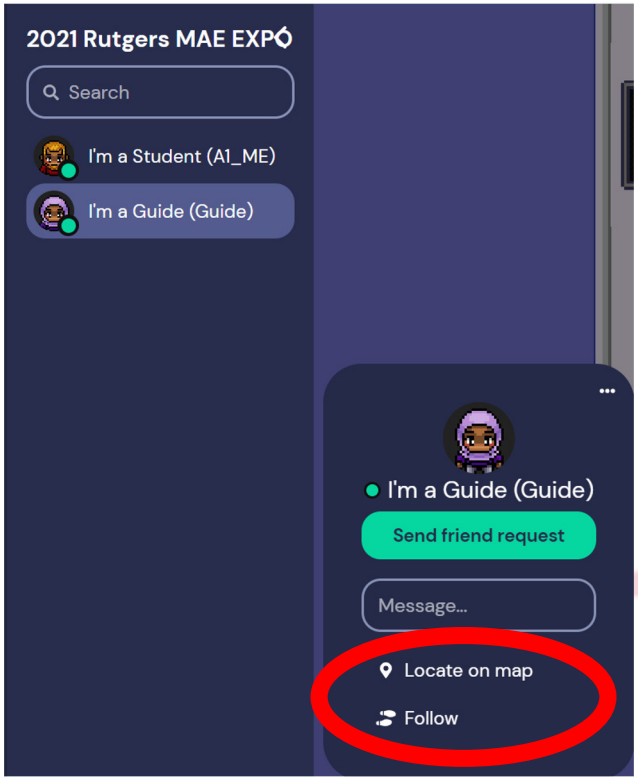
ME projects room

Judges' room

AE projects room



Basic Operations



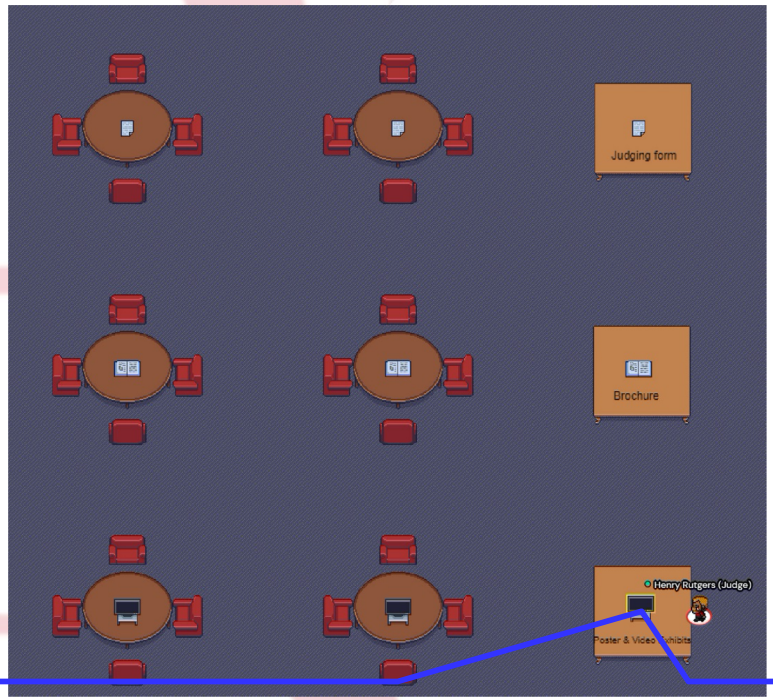
- You may use the box to search for users:
  - Enter group name (e.g., A1_ME) if you want to find a group/student
  - Enter “guide” if you have any questions or need any help.

- You can locate a particular user by clicking on his/her name and and select “Locate on Map”.
- You may also select “Follow”, which will automatically let you go to his/her location.

Judges' Room

- This room provides a collection of all the projects (brochure, poster, promo videos) and judging form.

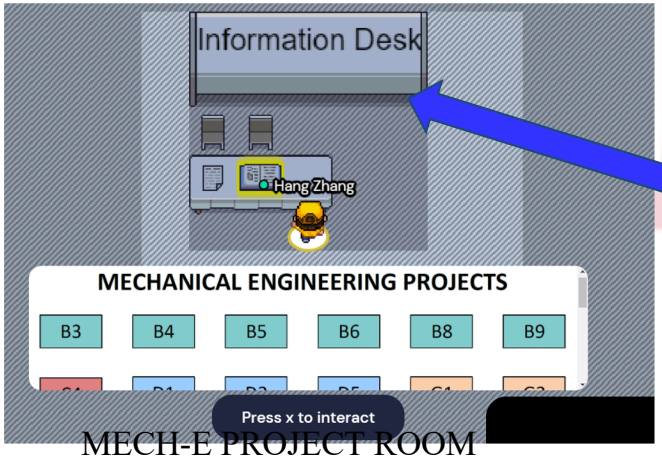
- This is a room where judges can communicate with each other.



When you are next to the desk, a yellow box will appear on the object. Press "X" on the keyboard to view. Press "X" again can close it.

Projects Room

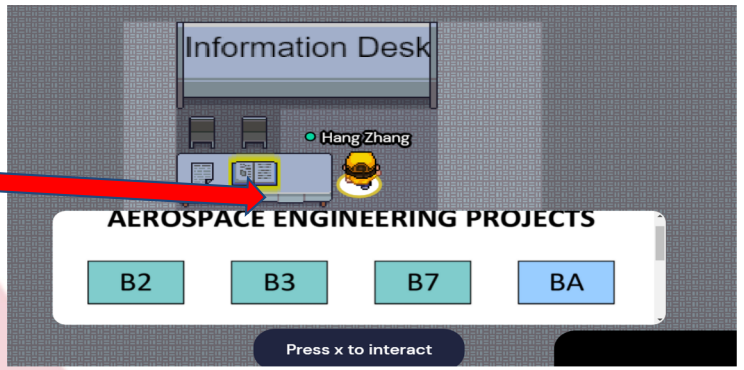
Enter the ME/AE project rooms here



MECH-E PROJECT ROOM

At the entrance of each room you will find an information desk with a layout of the room and the judging forms.

Press “x” to view them.

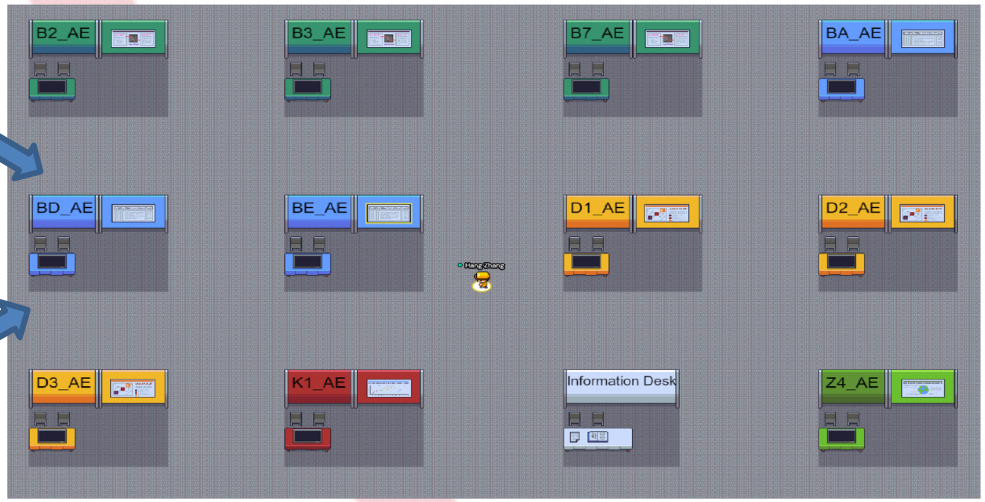


AERO-E PROJECT ROOM

Projects Room

- In each room, every group is assigned to a specific table.
- You can walk around the room and find the group that you are assigned to review.
- All group members will present their projects (e.g., poster, slides) to you. Please feel free to ask any questions that you may have.

Mechanical Engineering Project Room

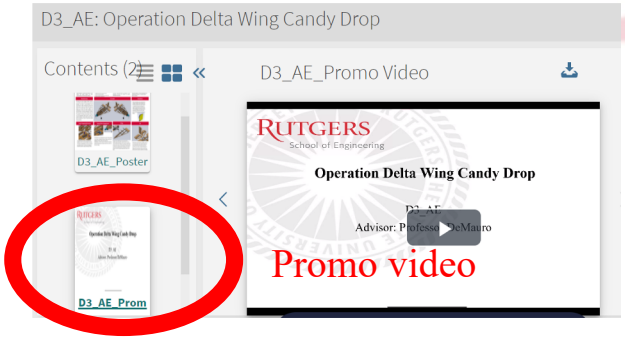


Aerospace Engineering Project Room

Projects Room

- For every group, you can view the poster and promo video

Stand nearby and press “x” on to view poster; Press “x” again can close it.



Stand nearby and press “x” to watch the promo video.
